Registration will be \$250 per boat and side-pots will be \$100 per side-pot. YOU MUST ENTER THE TOURNAMENT IN ORDER TO ENTER THE SIDE-POTS. All fees must be paid in cash.
- HOURS OF FISHING: Fishing can start at daylight of the morning of the tournament until weigh-in time deadline at 6pm that night. You must be within eyesight of the Weigh-Master (Mark) at 6pm that night. Weigh-in will be located at Moondog's station and will be open from 1pm-6pm that day.
- SNAPPER RULES: Boat captain will choose what he/she thinks will be the two (2) largest snapper from his boat and will be weighed in aggregate. In case of a tie, the boat that weighed in first will break the tie. Weigh-Master (Mark) will have the final word and decisions on any rules, tiebreakers, or any protests that might come up.

- **SIDE-POT RULES:** We will have 4 side-pot fish (the ones that Moondog hated to clean the most). All side-pots prizes will be based on entry of each side-pot with 100% of the entry money going to the first place only. Entry for each division will be \$100. Side-pot will be only 1 fish being weighed with the largest fish winning. Like above, boat captain will choose which fish to take off the boat. In case of a tie, same rules apply as above with the tiebreaker going to the boat that weighed in first.
SIDE-POT FISHES ARE: Kingfish, Ling, Dolphin and Barracuda

- **OTHER RULES:**
 - All fish must be caught on rod and reel only. No electric reels allowed to be used or on the boat.
 - Everyone on boat must have valid fishing license. Must be able to show proof.
 - Only fish being weighed should be taken off the boat. Once the fish are taken off boat, then they are not eligible to be replaced.
 - Boats will be weighed in line of first come first served basis
 - All fish must be in acceptable condition. No frozen, mutilated, or fish not deemed to be "fresh" will not be accepted.

Any rules violations will be subject to disqualification.
